Reaching Out...

Some of the attendees from the Yorktown Wednesday Meeting met and went through the "We Care" book. They made calls to those OA'ers they had not seen in a while and invited them back.

They met ½ hour before one of the meetings.

Reaching out like this can make such a difference to those still suffering.

If you choose, you could do this on the 12th of each month (since we are a 12 step program)...and do it from home.

Anyone interested in doing so could take a few names and make some calls on the 12th.

Add An "R"...

When signing the "We Care" book, several groups have started adding the letter "R" which indicates that they are a relapsed member.

Here is a way to help other relapsed members ask for support from those people they know can share their experience.

Why not suggest adding this practice in your group?

Just bring up the idea at your next meeting!

Please take the time to look over available pamphlets that deal with helping the relapsed and order some for your group's meetings.

If you have any ideas as to how we can better support our relapsed members please share it with us by sending your ideas to:

Web Site

Report from Chair May 2006

The website continues to be updated as new information comes in. Please have meetings submit anniversary info as well as any holiday openings or closings. Any pertinent information regarding OA or meetings can be submitted for posting. Please encourage this. It would be great if the Reps could take a look at the site and make sure there are directions to their meeting posted and that they are accurate.

We received one e-mail request for meeting information in the month of April. We received an e-mail from the Region 6 Coordinator stating that they have a male member going to World Service Business Conference, looking for a roommate. And that if we have a male member going, who would like a roommate, we should contact Mark Glazer, Region Six Coordinator at markgse@adelphia.net. Intergroup info was posted on the site as it came in. The new meeting list was posted and the most current newsletter is posted. Special Events have been updated as the information comes in. E-mails went out to the Distribution list, with information that came into the Webmistress for circulation, as it came in. And the distribution list has been updated.

Our Website is not up to date with regard to Intergroup Meeting minutes and Treasury Reports. It would be great if the Recording Secretary and the Treasurer could take a look at the website and see how far back we are missing information. At the least, it would be a good start if we could get this information e-mailed to the Webmistress starting with this month's information.

All e-mails continue to be directed to the general web address. Following are the list of positions which have e-mail forwarded to them through the site.

- Chairman
- Vice Chairman
- Recording Secretary
- Corresponding Secretary
- Treasurer
- Regional Representatives
- WSBC Delegate
- PI Chairman
- Newsletter Editor
- Speakers' Bank Chairman
- Sponsors' Bank Chairman
- Hotline Chairman
- Webmaster

As I have stated previously, I have posted some information to the Committee Pages; however, most of them still need more information. If you are a Chair, please visit your page and decide what you would like to do there. Please continue to update on a regular basis.

Please take a look and pass it on that people should utilize our webpage for information. Please announce the web address www.oawestchester-ny.org at your meetings.

Public Information Committee Report for WUIG 5/4/06

The committee met on 5/2/06. Present: Carol B, John B, Bobbye H, Tom S, Roberta Z.

1) **Community Fairs:**

On Sat April 8, we participated in the **New Rochelle YMCA's Healthy Kids Day**. While attendance was low, there was a request from the director of the children's camp for an OA speaker this summer to address the children. We will follow-up.

On Sat June 10, we will participate in the 26th Annual Ossining Community Fair, where OA volunteers will distribute meeting lists and free OA information. The space cost \$65. (Carol will coordinate event.)

2) **OA Public Service Tape (PSA):**

Currently the PSA is being aired on three local cable TV stations: White Plains, Mamaroneck and Rye. We are working with Cablevision, with a likely date of June 1, for airing on several major cable stations. More details to follow. (John continues to coordinate effort.)

3) **Flyers with our OA hotline, website and other contact information:**

Although several flyers have been posted in local supermarkets, community boards and businesses, we currently have no way to follow-up on the posting. Therefore, the committee decided to institute a method of tracking. The committee members will ask at meetings for OA volunteers to post flyers in their communities and provide their email address for subsequent follow-up (by Tom). We know that at least two people learned about OA by seeing a posted flyer. (Geographical areas: John (White Plains, Hartsdale); Bobbye (Ossining, Tarrytown, Croton); Tom (Mt. Kisco); Roberta (Larchmont, New Rochelle, Mamaroneck, Rye); Carol (Hastings, Ardsley, Irvington).

4) **Health Care Professionals:**

The committee has decided to focus on reaching health care professionals by soliciting names and addresses of physicians, social workers, psychologists, nutritionists and other health care professionals from the OA fellowship. A mailing list will be compiled and each health care professional will receive a meeting list and information about OA. A flyer is being developed which will describe this outreach endeavor. (Tom and Roberta will work on this project.)

April 23, 2006

Please read aloud at two of your next meetings.

It has come to our attention that the adoption of age restrictions for attendance in certain meetings in the Putnam/Westchester region is being or has been adopted.

According to the OA Incorporated By Laws Subpart B (Article 5, Section 1, Item 2) "All who have the desire to stop eating compulsively are welcome".

Our third tradition states that "The only requirement for OA membership is the desire to stop eating compulsively". All groups agreed to this when they registered. Please refrain from announcing any restrictions.

Be advised that those who set age restrictions will cease to be an OA group, lose the support of WUIG and be reported to the World Service Organization where they will be removed from all OA listings.

Yours truly,
Bobbie Harris *Acting Co-Chair-WUIG and*
Lynda K *Acting Co-Chair-WUIG*
