Subject: June Intergroup Meeting Cancelled

Attachments:  [retreat_flyer_2011\[1\].pdf \(123KB\)](#)

Hi everyone-

Due to multiple people (myself included) not being able to attend intergroup this Thursday, I am cancelling the meeting. We will meet in July 7th as scheduled. If there was any impertive business, please let the intergroup members know via email and we can have a discussion online.

I am attaching a flyer for a retreat in Connecticut June 24th. The retreat is in Ivoryton, CT and is about Tranquility in Action- including workshops about utilizing our new tool! I am going and hope to see many of you there. Please circulate this flyer at your meetings.

Thanks for understanding,
Megan
